Pay a visit to help complete one of your badge requirements! The Canadian Transportation Museum and Heritage Village is the perfect place to earn a variety of merit badges for scouts and guides. From Canadian Heritage to Outdoor Adventures, we have a program to suit your needs.

Cost: \$7.00 per participant.

Programs are available outside of regular hours by arrangement.

Please note: on-site camping is available for scout and guides at no cost.

- The CTMHV is proud to support scouting and guiding volunteer opportunities and appreciate their support throughout the years
