Telephone: 519-776-6909

Visit the Transportation Museum and get to try out different ways of moving simple machines. You will participate in several hand on activities guided by our skilled volunteers who will take your class back to a simpler time as you discover how things really work!

- Take a look at an engine from a 1918 Model T
- Build your own Lego car from our special kits!
- Participate in our museum detective game

This half day program runs:

- January through March or by special arrangement the remainder of the year
- From 10:00 am to 12:00pm or 12:00 pm to 2:00 pm

Cost: \$7.00 per student with no cost to teachers or chaperones
